By using any new or modified features when they become available, you agree to be bound by the terms of this Agreement and any additional terms and conditions or applicable rules concerning those features.

You agree not to use Business Online and Mobile Banking to pay payees to whom you are obligated for tax payments, or to make payments made pursuant to court orders or to settle securities transactions or as loan pay-off amounts, fines, time-share payments, payments to loan sharks, gambling debts, or any other payments that may be or are otherwise prohibited by law. In no event will we be liable for any claims or damages resulting from your scheduling of these types of payments. C. USING YOUR PASSWORD

The Sys Admin password acts as the signature of the owner and sole user of the Organization ID and User ID for your Business Online and Mobile Banking service. Your password is an identification code that is personal and confidential. The use of the password with Business Online and Mobile Banking is a security method by which you maintain the security of your account(s). Therefore, YOU AGREE THAT YOU WILL NOT DISCLOSE YOUR PASSWORD TO ANYONE AND THAT YOU WILL TAKE ALL PRECAUTIONS TO ENSURE THAT NO ONE ELSE LEARNS YOUR PASSWORD AND TO PRESERVE THE CONFIDENTIALITY OF YOUR ORGANIZATION ID, USER ID, YOUR PASSWORD, AUTHENTICATION CODE, ONE-TIME PASSCODE (OTP), OR OTHER IDENTIFIER AND TO PREVENT THE USE OF THE BUSINESS ONLINE AND MOBILE BANKING SYSTEM BY UNAUTHORIZED PERSONS. YOU AGREE THAT IF YOU GIVE YOUR PASSWORD TO SOMEONE ELSE TO USE, YOU ARE AUTHORIZING THEM TO ACT ON YOUR BEHALF AND YOU WILL BE RESPONSIBLE FOR ANY USE OR MISUSE OF BUSINESS ONLINE AND MOBILE BANKING BY THEM. YOU AGREE THAT IF YOU ALLOW SOMEONE ELSE TO ACCESS BUSINESS ONLINE AND MOBILE BANKING, YOU ARE AUTHORIZING THEM TO ACT ON YOUR BEHALF AND YOU WILL BE RESPONSIBLE FOR ANY USE OR MISUSE OF BUSINESS ONLINE AND MOBILE BANKING BY THEM UNTIL YOU TELL US THAT YOU HAVE REVOKED THIS AUTHORIZATION AND WE HAVE A COMMERCIALY REASONABLE AMOUNT OF TIME TO ACT ON SUCH NOTICE OF REVOCATION. YOU ASSUME FULL RESPONSIBILITY FOR THE CONSEQUENCES OF ANY MISUSE OR UNAUTHORIZED USE OF OR ACCESS TO BUSINESS ONLINE AND MOBILE BANKING OR DISCLOSURE OF ANY CONFIDENTIAL INFORMATION OR INSTRUCTIONS BY YOUR EMPLOYEES, AGENTS, OR OTHER THIRD PARTIES.

If you permit any other person(s) or entity, including any data aggregation service providers, to use Business Online and Mobile Banking or to access or use your card numbers, account numbers, PINs, User IDs, passwords, or other means to access your accounts through Business Online and Mobile Banking, you assume full responsibility for any transactions and activities performed from your accounts and for any use or misuse of your personal and account information by such person (s) or entity (ies). You agree to: 1) keep your Organization ID, User ID and password secure and strictly confidential; 2) immediately notify us of any change in status, or authority, of any authorized signer or User on record with us; and 3) immediately notify us and select a new password if you believe or have reason to believe your Organization ID, User ID, or password is known or may be used by any unauthorized person(s).

Santander will have no liability to you for any unauthorized payment or transfer made using your Organization ID, User ID, or password that occurs before you have notified us of possible unauthorized use and we have had a commercially reasonable opportunity to act on that notice. We may suspend or cancel your use of Business Online and Mobile Banking without notice from or to you if we suspect your Organization ID, User ID, or password is being used in an unauthorized or fraudulent manner.

Any transaction initiated through Business Online and Mobile Banking using your Organization ID, User ID, and password or biometric identifier, even if you or any of your Users did not actually conduct the transaction, will be deemed to have been authorized by you and you will be responsible for the transaction. You expressly acknowledge and agree that it is solely your responsibility to ensure at all times that any computer or mobile device that is used to access Business Online and Mobile Banking is protected from viruses and other malware by using firewalls, antivirus software and anti-malware software.

D. ACCESS LEVELS FOR USERS

You must designate which individual is authorized to act as Sys Admin and which accounts will be used for payments and transfers using services available through Business Online and Mobile Banking. The individual designated as the Sys Admin can create additional User IDs to grant Business Online and Mobile Banking access to other Users. We automatically assign the highest level of access to your User ID as the Sys Admin. The Sys Admin assigned by you must be a signer on at least one of the accounts accessed through Business Online and Mobile Banking.

The Sys Admin may use Business Online Banking to add additional Users and set up each User with a separate password, and to remove any Users. Within Business Online Banking, the Sys Admin can also designate, restrict, and manage the access/service level for each additional User in Business Online and Mobile Banking. The Sys Admin has the authority to authorize other User(s) to have, depending on the access and actions, authority equal to or lesser than the Sys Admin's level of access and authority.

User access restrictions can cover the following: accounts a User has access to, dollar limits for certain transactions, whether financial or certain non-financial transactions can be completed, reports and information that can be viewed, and services that may be accessed. BillPay, Mobile Check Deposit, and Self-Service Reset Password and Retrieve User ID/Organization ID features are only available to the Sys Admin.

The Sys Admin can create permissions in Business Online Banking that allows you to add an additional layer of security to certain transactions, including but not limited to payments through the Basic Payments Service. By restricting which User(s) are permitted to initiate and release payments, you can create a dual control setting to add an additional layer of security to certain transactions. This security enhancement requires a secondary approval to release payment.

Regardless of the nature of the transaction, you are responsible for all transactions performed by any User until you remove or cancel the User's access to Business Online and Mobile Banking and we have had a commercially reasonable opportunity to implement such removal or cancellation. You agree that you are responsible for any Business Online Banking and Business Mobile Banking action or service activity (including without limitation, funds transfers, wire transfers, and/or ACH transactions) of the Sys Admin, any User(s) that you add, and any user or person that you allow to access Business Online or Mobile Banking.

Please see the section of this Agreement titled "Business Online and Mobile Banking for Use with Personal Accounts" for information regarding the use of Business Online and Mobile Banking by the Sys Admin to transact on the Sys Admin's personal accounts at Santander.

E. ALERTS

You can set up opt-in alerts in Business Online Banking to be sent to your email address on file for the individual customer associated with the business, or one that you provide during the activation process. Alerts allow you to receive important notifications triggered by specific account activities. You can choose to receive business deposit account-related alerts. The alerts service will allow you to choose which alert messages you would like to receive for each of your business deposit accounts. Each alert has different options available, and you will be asked to select from among these options upon activation of your alerts service. Depending on the type of alert, it may take up to two Business Days for the alerts to be implemented. You agree that we are not liable for any delays, failure to deliver any alert(s), misdirected delivery of any alert(s), any errors in the content of an alert(s), or any actions taken or not taken by you or a third party as the result of an alert.

We may add new alerts from time to time, or cancel old alerts. We will use commercially reasonable efforts to notify you when we cancel existing alerts, but are not obligated to do so.

Alerts will be sent to the email address you designate during the alerts activation process. If your email address changes, you are responsible for informing us of that change.

Sent alerts are not encrypted. Because alerts are not encrypted, we will never include your password, Social Security number, or full account number, nor will we ask for any such information to be provided to us through an alert. Alerts may include other account information, including your name and some information about your accounts, such as balances, recent transactions, and due dates for any payments. Anyone with access to your email will be able to view the contents of these alerts.

F. RECORD OF TRANSACTION

Details regarding your one-time, Recurring Transfers, and future-dated transfers, other than Basic Payments, are available in the "Pending Transfers" section in Business Online and Mobile Banking.

G. STOP PAYMENT FEATURE

The stop payment feature may not be used with respect to any payment scheduled through Business Online Banking. Please see our Business Deposit Account Agreement for provisions governing stop payment orders. You cannot stop payment on a check if we have accepted, certified, made final payment on, or otherwise become responsible for the check, except to the extent required by law. After receiving a request to stop payment on your check, we have a reasonable period of time to act, which may be twenty-four (24) hours or more. Your stop payment request will remain in effect for six (6) months and is subject to our regular stop payment fee(s).

H. ACKNOWLEDGMENT OF COMMERCIALY REASONABLE SECURITY PROCEDURES

To avoid unauthorized access to your personal, business, or financial information, you agree to adopt all reasonable security measures offered by Santander. By enrolling in and using Business Online and Mobile Banking, you acknowledge and agree that this Agreement and the Business Online and Mobile Banking service contain security procedures that are commercially reasonable. You agree to be bound by instructions, whether authorized or unauthorized, which we implement in compliance with these procedures.

III. BILLPAY SERVICE

A. GETTING STARTED WITH BILLPAY

To use BillPay, you must be at least 18 years of age and have the following:

- Access to Business Online Banking either through a personal computer or a mobile device
- At least one Santander Bank Business Checking account
- At least one Biller added to your Biller List
- An active email account that you regularly use, if you are going to use the e-Bills service or reminder notification features
- A valid U.S. address you are able and willing to provide

You may use BillPay to:

1. Make one-time or Automatic Payments from your Santander checking account to Billers.
2. Use the Electronic Bills (e-Bills) service to:
 - View Biller statements and detailed information through a personal computer.
 - Receive notifications directly to your designated email account when an e-Bill has been received.
3. Send us secure online mail messages and questions regarding the BillPay service through a personal computer.

Not all Billers participate in the e-Bill service. For a full list of Billers, call 877-768-1145.

B. SCHEDULING A PAYMENT

Bill Payments can be made in any amount between \$0.01 and \$999,999.99. Bill Payments can only be scheduled from the Santander Checking Accounts linked to Business Online and Mobile Banking and can be entered as either: (1) one-time transactions up to one (1) year (365 days in a non-leap year or 366 days in a leap year) in advance; or (2) Automatic Payments.

Our ability to deliver your Bill Payment in a timely manner is dependent upon specific Biller requirements and accounts receivable processing times. When you attempt to schedule a payment, we will inform you of the earliest available Bill Payment delivery date. We recommend that you schedule Bill Payments at least five (5) Business Days prior to your Due Date. The Payment Calendar will only permit you to select a valid and available Payment Date. There are some Billers who offer shorter delivery times, and, therefore, do not require the five (5) Business Day scheduling time. When scheduling Bill Payments, if you want the Bill Payment to arrive on or before the actual payment Due Date, then you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date in order for the payment to be made by the actual Due Date. You are responsible

for all late fees, interest charges, or other actions taken or not taken by you that result in or are related to late payments.

Automatic Payments that fall on a day that is not a Business Day will be processed on the next Business Day. When entering a Bill Payment, determine the actual due date located on your Biller statement, or if using an e-Bill, the system will enter the Due Date for you.

C. BILLPAY PAYMENT CALENDAR

You can schedule your Scheduled Payment Date using the Payment Calendar found within the BillPay service. The Payment Calendar will indicate the first available date and all other available dates that are eligible Scheduled Payment Dates.

D. ELECTRONIC BILLS (E-BILLS) THROUGH BILLPAY

You can receive bills electronically from participating Billers in the form of e-Bills; e-Bills must be requested through Business Online Banking using a personal computer.

1. **Approval of e-Bills.** Participating Billers establish their own criteria for reviewing requests to send e-Bills and have sole discretion in accepting or declining your request. Participating Billers typically require five (5) Business Days to act upon your request to receive e-Bills. Upon activation of the e-Bill feature, Santander may notify the Biller of your request to receive electronic billing information. Your receipt of your first e-Bill may vary from Biller to Biller and may take up to sixty (60) days.
2. **In some cases, we obtain the e-Bill from the website of the Biller.** To do so, we ask you for information needed to retrieve the e-Bill, such as a required password. By providing this information, you are authorizing Santander to access the Biller's website on your behalf and retrieve your account and e-Bill information.
3. **Notifications.** There are two (2) types of e-Bill notifications:
 - A **Electronic Bill via email** that notifies you of the delivery of an e-Bill and provides a summary of the e-Bill (typically due date, amount due, and balance), as well as the "Pay" button. After you click the "Pay" button, you must sign into Business Online Banking or Mobile Business Banking, navigate to the BillPay section, and input and confirm the relevant payment details to pay your e-Bill.
 - B Email reminder that simply notifies you of the delivery of an e-Bill, but does not contain any summary information or payment options.

To add the electronic notifications to your e-Bills service, click on the "Manage My Bills" tab and click "Add email notification of electronic bill." Electronic Bill via email and email reminders are both typically sent to you within 48 hours of the e-Bill being uploaded to the BillPay service. If you do not receive your email notification, check the "My Profile" account setup to verify your current email address. It is your responsibility to maintain an active email account that you regularly use. If you fail to maintain a current email address, we will be unable to deliver your notifications. We are not responsible for lost notifications due to an invalid, full, or otherwise non-receiving or over-extended email account. We are unable to regenerate or resend an e-Bill notification.

Some Billers require your email address when you add an electronic version of your bill. For other Billers, this information is optional. However, a Biller may use your email address to contact you directly if there is a question about your Bill Payment.

To change the electronic notifications to your service, click on the "Manage My Bills" tab and click "Update email notification of electronic bill."

4. **Timely delivery of e-Bills.** We have no control over the delivery of an e-Bill from a Biller and are not responsible for late delivery of an e-Bill, or for late payments resulting from a late e-Bill. If you do not receive an e-Bill, it is your responsibility to contact the Biller directly. If you have questions regarding the contents of your e-Bill, you should contact the Biller directly.
5. **Non-Delivery of e-Bills.** We are not responsible if the Biller fails to deliver an e-Bill. You are responsible for ensuring timely payment of all bills and e-Bills. Copies of previous e-Bills must be requested from the Biller directly. We are not responsible for the non-delivery of e-Bill notifications. It is your responsibility to maintain a current email address as displayed on the "My Profile" page.
6. **Accuracy and dispute of an e-Bill.** We are not responsible for the accuracy of an e-Bill. If you have questions regarding the contents of your e-Bill or wish to dispute any of the contents of an e-Bill, you should contact the Biller directly.
7. **Biller enrollment and personal information.** When you establish e-Bills with a participating Biller, you will be requested to provide personal information that will be forwarded to the Biller. If you have concerns about the Biller's use of this information, you should contact the Biller directly.
8. **Discontinue the e-Bills service.** You may cancel e-Bills service at any time by going to the "Manage My Bills" section within BillPay. It may take up to sixty (60) days for an electronic delivery of e-Bills to stop. We will notify your Biller when you cancel the e-Bills service. It is solely your responsibility to make arrangements for an alternate form of bill delivery.

E. BILL PAYMENT METHODS

We will make Bill Payments you have scheduled either electronically or by check. Although you will not be able to select how a Biller will be paid, most major Billers accept electronic payments. We encourage you to provide as much information as possible when setting up a Biller so that we can match your Billers to those in our database that accept electronic payments. If we pay by check, the check may either be drawn on our operating account or it may be drawn directly on your account.

If a Biller is paid electronically, the Biller will receive the electronic payment on the Scheduled Payment Date, or in some cases before. Electronic payments are deducted from your Payment Account on the Scheduled Payment Date, even if your Biller credits you sooner.

If a Biller is paid by check, we prepare and mail the check so that it will generally arrive at the Biller on the scheduled Payment Date. If the check is drawn on our operating account, we will deduct the amount of your Bill Payment from your Payment Account on the Scheduled Payment Date. If the check is drawn directly on your account, the Bill Payment will be deducted when the Biller cashes the check and it is presented to us for payment. Depending upon the speed of the U.S. Postal Service and your Biller, this may occur before your Scheduled Payment Date. Make sure you have sufficient funds in your Payment Account as you schedule your Bill Payments. Also, if the check is drawn directly on your account, it will be returned to you in the same way as any other check you have written with your monthly statement, in the format specified in your Statement Check Options. It will look a little different from the checks you write and will bear a six-digit check number that begins with "99."

If we pay a Biller using a check drawn on our operating account and the Biller does not deposit the check within 90 days, we will automatically stop payment of the check and re-credit your account. If we pay a Biller by a check drawn directly on your account and it is not deposited within 180 days, you will need to contact us to request a stop payment on this check. You will need to either schedule a new payment or arrange to pay the Biller using another method.

F. CANCELING BILL PAYMENTS

You cannot cancel a Bill Payment once it has begun processing or has posted to your account, although Bill Payments that are still pending may be canceled or modified. After you cancel a Bill Payment, the status changes to "Cancelled." Canceled Bill Payments remain in your Bill Payment history.

You may cancel Automatic Payments three (3) or more Business Days before the transaction is scheduled to occur.

IV. INTERNAL TRANSFERS

A. Internal Transfers from your Santander Business Account

This section concerns transfers of funds that you initiate through Business Online and Mobile Banking from your Santander business account to (a) another Santander business account of yours or (b) someone else's Santander account. Please note that if you request to send a Basic Payment to another Santander customer, we will process the transaction as an internal transfer and we will not charge a transaction processing fee.

For information on conducting transfers to or from your Santander personal account through Business Online and Mobile Banking, please see the section of this Agreement titled Business Online and Mobile Banking For Use with Personal Accounts.

Internal transfers you initiate on a Business Day before 10:00 p.m. ET generally will post to your Santander account (or to someone else's Santander account, as applicable) as of that Business Day. If you make a transfer on a Business Day after 10:00 p.m. ET or on a non-Business Day, your transfer generally will be posted to your account (or to someone else's Santander account, as applicable) on the next Business Day.

Funds deposited via the internal transfer to your Santander account will be available to cover charges posted to your account that day and may be available immediately to cover your ATM withdrawals and card purchases.

Automatic Payments, Recurring Transfers, and future-dated transactions sent as internal transfers generally will post to your account (or to someone else's Santander account, as applicable) on the date you select. If you select a day that is not a Business Day, the transfer generally will occur on the next Business Day. Account statements and Available Funds balances may not reflect transactions sent to your account until the transactions have been officially posted to your account.

You agree to have sufficient Available Funds in your account at the time you schedule an internal transfer to occur. If you do not have sufficient funds in your account on the date the transfer is scheduled, we will not perform your transfer request. No further attempt will be made by Santander to process the transfer instruction. In all cases, you are responsible for rescheduling the transfer. We reserve the right to impose unavailable funds fees, over-the-limit fees, or transfer fees.

To cancel a future-dated or Recurring Transfer, you can click the "Pending Transfers" option within the "Transfers" tab of Business Online Banking or the "Transfers and Payments" section of Business Mobile Banking. One-time transfers scheduled for the same day may not be canceled.

B. Transaction Limits for Internal Transfers From Your Santander Business Account

Through Business Online and Mobile Banking, you may transfer funds between your business checking, savings, and money market savings accounts at Santander. You may also transfer through Business Online and Mobile Banking funds from your linked Santander business account to someone else's Santander checking, savings, and money market savings accounts. Transaction limits are outlined below for both types of Internal Transfers:

D. ONE-TIME PASSCODE (OTP) SERVICE

1. The One-Time Passcode (OTP) service provides a level of security by requiring you to authorize certain transactions, such as external Basic Payments, by entering an OTP sent to your mobile device by text message. In order to enroll in the OTP service, you must provide a cell phone number that can

receive text messages from business entities. Once you have enrolled in the OTP service, for certain transactions, you will receive a text message to the cell phone number you provided containing a unique six-digit code that you must enter in the Business Online and Mobile Banking applications in order to complete certain transactions. Please note, SANTANDER WILL NEVER CALL TO ASK YOU TO CONFIRM OR PROVIDE THE OTP BEING SENT TO YOUR CELL PHONE NUMBER.

2. Message and data rates may apply for using the OTP service. Please check your mobile service agreement for details on applicable fees. Please note that some prepaid mobile plans do not support business-to-person text messaging, but do support person-to-person text messaging. Please contact your provider for details about your plan.
3. By providing your cell phone number, you agree to receive autodialed service-related text messages and/or calls, such as the OTP service, to that number. By providing the cell phone number, you also confirm that you are the subscriber or customary user of such phone number.
4. You agree that you will not disclose any OTP you receive to anyone and that you will take all precautions to ensure that no one else learns any OTP you receive and to preserve the confidentiality of the OTP and to prevent the use of the Business Online and Mobile Banking System by unauthorized persons. You agree that if you disclose any OTP you receive to someone else, you are authorizing them to act on your behalf and you will be responsible for any use or misuse of Business Online and Mobile Banking by them.
5. For help, text "HELP" to 48266. SMS text message order delivery is not always predictable, and text message notifications may be delayed or not received during regional emergencies or other periods of high-messaging traffic.
6. It is your responsibility to determine if your mobile carrier supports the OTP service and your mobile device can receive OTPs via text messaging. Check with your individual carrier to confirm the availability of this service.

For questions about the OTP service, please contact Customer Service at 877-768-1145.

Mobile Check Deposits can be made to checking and savings accounts, including money market savings accounts, but not to Certificate of Deposit (CD) accounts or any Individual Retirement Account. We may terminate your use of Mobile Check Deposits and/or close your account at our discretion if you violate any of the terms of this Agreement, if the checks you deposit using our Mobile Check Deposit service are returned to us unpaid, or for any other reason in our sole discretion. Subject to the restrictions outlined below in section 4, you may deposit personal checks, business checks, or cashier's checks. Additionally, only checks drawn on a bank in the U.S. and payable in U.S. currency will be accepted through Mobile Check Deposit. 5. Liability for unauthorized transactions on your personal accounts

If you believe your logon credentials have been lost, stolen, or compromised, or that someone has transferred or may transfer money from your account without our permission, call our Customer Service Center 1.877.768.2265 or write to us at Santander Bank, Attention: Business Online Banking, Mail Code RI1-EPV-02-18, 1 Santander Way, East Providence, RI 02915.

If you telephone us, we may request that you also send us written confirmation of your notice to be received by us within ten (10) Business Days of your phone call.

You could lose all your money in the account(s), including the available balance in your overdraft line of credit or other credit account(s), if you take no action to notify us of the loss, theft, or compromise of your password. If you notify us of the loss, your liability for unauthorized transfers will be as follows:

1. If you contact us within two (2) Business Days of the loss or your discovery of the loss, you can lose no more than \$50.00 if someone illegally gained access to and used your password without your permission.
2. If you do NOT tell us within two (2) Business Days after you learn of the loss or theft of your password, and we can prove we could have stopped someone from using your password without your permission if you had told us, you could lose as much as \$500.00,
3. Also, if your monthly statement shows transactions that you did not make and you do not contact us within sixty (60) days after the statement was mailed (or electronically transmitted) to you, you may not get back any money lost after the sixty (60) days if we can prove that your contacting us would have prevented those losses.
4. If a good reason, such as a long trip or an extended hospital stay, kept you from telling us, we will extend the time periods in this section.

If your Debit Card was used to make unauthorized purchases for which no PIN was required, you cannot lose any money if you report the unauthorized purchase within sixty (60) days of the date of the first statement showing the unauthorized purchases. If you give your Card or PIN to anyone at any time, you will be liable for any transaction made by that person using your Card or PIN until you tell us that that person is no longer authorized to use your Card or PIN. Also, the state law applicable to your Account may give you more time to report an unauthorized transaction or may give you more protection.

6. Our liability for failure to complete an electronic funds transaction involving your personal accounts

If we fail to complete a transaction on time or in the correct amount, when properly instructed by you, we will be liable for certain damages caused by our failure unless:

1. There are insufficient funds in your account to complete the transaction through no fault of ours.
2. The account has been closed.
3. The funds in your account are unavailable.
4. The funds in your account are subject to legal process or other encumbrance, restricting transactions.
5. The transaction you request would exceed the funds in your account plus any available overdraft credit.
6. Your password has been reported lost or stolen or your service privileges have been suspended.
7. We have a reason to believe that the transaction requested is unauthorized.
8. The failure is due to an equipment breakdown, which you knew or should have known about when you started the transaction.
9. The failure is due to a loss of power or internet connectivity during your session where you were not provided, or did not record, your transaction confirmation number.
10. The failure was caused by an act of God, fire or other catastrophe, or by an electrical or computer failure or by another cause beyond our control.
11. You attempt to complete a transaction using the service which is not a permissible transaction.
12. The transaction would exceed security limitations on the use of the service.
13. You have not given us complete information or properly followed our procedures on how to complete a transaction.

There may be other exceptions in our Personal Deposit Account Agreement or other agreements between you and us. In any case, we shall only be liable for actual proven damages if the failure to make the transactions resulted from a bona fide error despite our procedures to avoid such errors.

Moreover, the failure to provide timely notice relieves us of liability for any related losses, and you are precluded from asserting any claim or error related thereto.

Q. OUR LIABILITY FOR FAILURE TO COMPLETE AN ELECTRONIC FUND TRANSACTION

If we are properly instructed by you, but we fail to exercise ordinary care and do not process a transaction to or from your account on time or in the correct amount, we will be liable only for your actual losses or damages, which you must establish were caused by our failure to exercise ordinary care, unless:

12. The transaction would exceed security limitations on the use of Business Online or Mobile Banking.
13. You have not given us complete information or properly followed our procedures on how to complete a transaction.

The above list is non-exhaustive, and there may be other exceptions in your Business Deposit Account Agreement or other agreements between you and us or under applicable law. 2. AUTHORIZED ACCOUNTS.

Customer shall establish and maintain one or more Accounts for use as Authorized Accounts. Customer shall from time to time fund such Authorized Accounts with sufficient Available Funds to pay (A) all checks and drafts drawn against such Authorized Accounts; (B) any transfers from such Authorized Accounts, including without limitation, transfers governed by this Agreement; and (C) all fees and other charges owing to Santander by Customer. Customer agrees that in the event it fails to maintain on deposit sufficient Available Funds, Santander in its sole discretion may, but shall not be required to, do any one or more of the following: (i) execute the wire, in which event, immediately upon Santander's demand (or according to the terms of

any applicable overdraft line of credit or overdraft protection program), Customer will pay to Santander all amounts wired and all fees and costs and expenses associated with the wire; (ii) delay the wire transfer; or (iii) cancel the Request and not complete the wire.

3. FUNDS TRANSFER SERVICES.

3.1 Content of Requests. Customer shall supply to Santander any information Santander may reasonably request regarding any payment order initiated by Customer, including, without limitation, money amounts, affected accounts, dates of transfer, the beneficiary's name and account number, the name and routing number or bank identifier code of the beneficiary's financial institution, such additional information as Santander may reasonably request and, if necessary, further evidence of any person's authority to transfer funds or to do any other act contemplated in this Agreement.

3.2 Execution of Requests. Santander may execute each Request received from Customer, whether such Request is telephonic, electronic, or oral; provided, however, that Customer has sufficient Available Funds on deposit in an Authorized Account; and provided further, that the Request (a) is received by Santander in the medium and at the place from time to time specified by Santander, and (b) is authorized by Customer or an Authorized Representative and is verified by Santander in compliance with a Security Procedure as described in Section 4 herein for verifying the authenticity of such a Request. Santander may handle a Request from Customer (or its Authorized Representative) and other customers in any order selected by Santander and, unless otherwise instructed by Customer in a manner consistent with Section 3.8 hereof. Santander may use any means, intermediaries, or funds transfer systems (which Customer acknowledges may have its own operating rules governing the execution of fund transfers) as Santander, in its sole discretion, shall determine. Customer shall not request a funds transfer that violates any Applicable Law, including, but not limited to, a transfer in violation of anti-money laundering and OFAC sanctions or regulations. Customer expressly acknowledges that illegal transfers may be blocked or rejected and originators of such transfers may be subject to fines or other adverse legal action.

3.2.1 Draw Down Requests. From time to time Customer may instruct an originating bank to initiate funds transfer draw-down requests against an Authorized Account and such originating bank will advise Santander of such instructions via a Fedwire or SWIFT message. Customer authorizes Santander to: (a) accept and honor such funds transfer draw-down requests received from such originating bank against an Authorized Account; and (b) debit Customer's Authorized Account upon receipt of such drawdown request and then transfer the proceeds via Fedwire to such originating bank for credit to the account specified.

3.3 Receipt and Acceptance. A Request is received when Customer communicates wire transfer instructions to Santander. A Request is accepted by Santander when Santander executes the Request.

Customer acknowledges that Santander maintains certain time deadlines for accepting and executing funds transfer requests, and that such time deadlines are subject to change from time to time at Santander's discretion.

Santander may treat any Request received after Santander's applicable time deadline on a Business Day (or after any applicable deadline set by the bank receiving the funds transfer pursuant to the Request) as if it were received by the time deadline on that Business Day or may treat it as if it were received at the opening of the next Business Day. Santander may treat any Request received on a day that is not a Business Day as having been received on the next Business Day.

3.4 Cancellation or Amendment of a Request or Authorization. Customer acknowledges that it may be unable to cancel or amend a Request after it has been received by Santander. Santander may at its discretion use reasonable efforts to act on Customer's instruction for cancellation or amendment of a Request; provided that such instruction is received by Santander prior to the applicable time deadline and at a time and in a manner affording Santander a reasonable opportunity to act prior to Santander's acceptance of the Request. Santander shall have no liability if any cancellation or amendment is not effected or if any funds already transferred are not recovered. Customer understands, acknowledges, and agrees that Santander has no ability to unilaterally reverse a completed wire transfer made pursuant to a Request submitted by a Customer, and further acknowledges and agrees that Santander has no obligation to cancel or amend a Request received or to recover funds that have been transferred at Customer's Request.

For additional terms governing Outgoing Consumer International Wires, please see Section 12 below.

Any recurring funds transfer Authorization from Customer shall be made in the form provided to Customer by Santander and shall remain in effect until Customer cancels it in writing and Santander receives and has reasonable time to act upon such notice of cancellation.

Customer shall reimburse Santander for any fees, costs, and expenses incurred in cancelling or amending or attempting to cancel or amend a Request or approval, and Customer shall indemnify Santander and hold Santander harmless from any loss, cost, or liability (including without limitation reasonable attorney's fees and expenses) arising from such cancellation or amendment or attempted cancellation or amendment. For additional terms governing Outgoing Consumer International Wires, please see Section 12 below.

3.5 Debits and Overdrafts. Customer agrees that Santander may debit any Authorized Account of Customer for any Request even if the debit creates or increases an overdraft in the Authorized Account. If Customer receives notification from Santander that an overdraft has been created or increased, Customer shall cause Available Funds sufficient to pay the amount of the overdraft and any overdraft fees to be deposited into or credited to the Authorized Account by the close of the same day; provided, however, that if such notification is received on a non-Business Day, Customer shall cause Available Funds sufficient to pay the amount of the overdraft and any overdraft fees to be deposited into or credited to the Authorized Account by the close of the next Business Day.

3.6 Applicable Rules. Each Request, or cancellation or amendment of a Request, may be furthered by any bank by use of Fedwire or other system, including but not limited to SWIFT communication. The rights and obligations of Santander and Customer with respect to any Request shall be governed by Applicable Law, as well as by rules, regulations, and operating circulars, as appropriate, of the Board of Governors of the Federal Reserve System, Fedwire, SWIFT, or other such system used or authorized by Santander, whether or not Santander is a member of the system.

3.7 Identifying Number. Customer acknowledges and agrees that Santander and other banks may rely on numbers provided in Customer's Request to identify intermediary banks, beneficiary banks, or the beneficiary of a Request, even if those numbers contain errors and/or identify a bank or beneficiary different from the named bank or beneficiary. Customer further agrees that Santander has no duty to detect any such inconsistency in identification.

3.8 Exceptions. No exceptions affecting Santander's acceptance of a Request made by Customer or by an Authorized Representative shall be effective unless accepted and agreed to in writing by Santander; provided, however, that Santander, at its option and in its sole discretion, may elect to act consistently with such instructions or other restrictions that it believes in good faith were made by Customer.

3.9 Changes of Authorization. Customer may change the Authorized Representative, the telephone callback instructions, the Authorized Account, or the limits per transfer or day by submitting to Santander an amended Authorization form. Santander shall not be bound by any changes in authorization until Santander receives an amended Authorization and has reasonable time to implement the changes.

SANTANDER SHALL BE ENTITLED TO RELY UPON THE AUTHORITY OF EACH AUTHORIZED REPRESENTATIVE AND UPON THE AUTHENTICITY AND LEGALITY OF ANY REQUEST MADE BY ANY SUCH AUTHORIZED REPRESENTATIVE UNTIL SUCH TIME AS SANTANDER RECEIVES WRITTEN NOTICE FROM CUSTOMER OF THE REVOCATION OF THE DESIGNATION OF SUCH AUTHORIZED REPRESENTATIVE.

3.10 Recurring Wire Transfers. On the basis of instructions from Customer provided on an Authorization form, Santander will send, on a recurring, scheduled basis, wire transfers to any person or entity designated as the beneficiary. Customer represents and warrants that its execution and delivery from time to time to Santander of said form or any amendments thereto will constitute a valid, effective, and continuing Authorization by Customer with respect to the dates, amounts, and beneficiaries listed on said form. Each recurring wire transfer Authorization set forth on said form shall continue and remain in full force and effect until Santander has received written notification from Customer revoking such Authorization in such a time and manner as to afford Santander a reasonable opportunity to act on it or Customer provides Santander with a new Authorization that replaces and supersedes the current Authorization and the new Authorization is provided in such a time and manner as to afford Santander a reasonable opportunity to act on it. Customer acknowledges and agrees that the security procedures set forth in Section 4 of this Agreement shall only be conducted by Santander upon the initial submission of a recurring wire transfer Authorization form and that thereafter Santander will be entitled to rely on the accuracy and authenticity of the information provided by Customer until revoked.

3.11 Blocking or Rejecting Requests. Santander has the right to block, reject, or refuse to accept any Request for any reason. Santander will have no liability to Customer based on its blocking, rejection, or refusal of any Request. If Santander blocks, rejects, or refuses any Request, Santander will endeavor to notify Customer within a reasonable time of such action, but not later than close of business on the next Business Day. Santander will have no liability to Customer based on its failure or delay in providing such notice. If Santander has debited any Account of Customer for the Request that Santander has then blocked, rejected, or refused, Santander shall reimburse Customer for those funds.

3.12 International Requests. For additional terms governing Outgoing Consumer International Wires, please see Section 12 below.

(a) Currency. Requests for the transfer of U.S. Dollars shall be paid in U.S. Dollars if the funds are to be transferred to a beneficiary account located in the United States or its protectorates or territories. If such Request requires U.S. Dollars to be transferred to a beneficiary account located outside of the United States or its protectorates or territories, Customer acknowledges and agrees that intermediary or correspondent banks may be utilized to effect such transfer and that Santander or the beneficiary's bank or any intermediary bank may elect to pay the beneficiary in non-U.S. Dollar currency at the converting bank's rate of currency exchange for such transfers. Customer is responsible for advising the beneficiary

of this possibility. Customer acknowledges that payment to a foreign country account may be subject to the laws of the foreign country involved.

Foreign Exchange Rates - Bank Assigned Rate:

Customer acknowledges that exchange rates fluctuate and acknowledges and accepts all risks that may result from such fluctuations. If Santander assigns an exchange rate to Customer's foreign exchange transaction, that exchange rate will be determined by Santander in its sole discretion. Customer acknowledges that exchange rates for retail and commercial transactions, and for transactions effected after regular business hours and on weekends, are different from, and may be less favorable than, the exchange rates for inter-bank transactions effected during the business day, as may be reported in The Wall Street Journal or other financial media outlets. Exchange rates offered by other dealers or shown at other sources (including online sources) may be different from Santander's exchange rates. The exchange rate offered to Customers by Santander may be different from the rate paid by Santander to acquire the underlying currency.

- (b) **Finality.** International Requests are final when delivered to Santander. Notwithstanding the foregoing, and subject to the terms of Section 12.4 herein, Santander in its sole discretion may, pursuant to the instructions of Customer or an Authorized Representative, endeavor to cancel or amend Customer's Request before the transfer of funds is effected; provided, however, that Santander shall not incur any liability if Santander is unable, for any reason, to cancel or amend the Request.
- (c) **Delays by Third Parties.** Customer acknowledges that intermediary and beneficiary banks located in certain countries may take an extended period to credit the receiving account. Santander has no liability for any such delays.

Customer acknowledges that the delivery of an International Request may be delayed due to the holiday schedule of the beneficiary's bank.

- (d) **Refunds.** Refunds of U.S. Dollar international funds transfers shall be in the amount of U.S. Dollars that Santander receives from the returning bank at such bank's rate of currency exchange, less any fees therefor. Refunds of foreign currency funds transfers shall be in the amount of U.S. Dollars at Santander's current rate of currency exchange. Customer acknowledges that any refund may be in an amount less than the amount initially paid by said Customer, and Customer shall bear all risk of loss due to fluctuation in the rate of currency exchange. No funds transfer fee shall be refunded.

4. SECURITY PROCEDURES.

4.1 Verification of Funds Transfer Request. Customer agrees and acknowledges that the purpose of the Security Procedures is to verify the authenticity of a Request made to Santander in the name of the Customer and not to detect errors in the transmission or content of the Request. Accordingly, any errors contained in a Request from Customer shall be Customer's responsibility. No security procedure for the detection of any such Customer error has been agreed upon between Santander and Customer. Customer agrees that any Request made by Customer or by an Authorized Representative of Customer may be verified as an authentic Request of Customer by Santander's use of the following Security Procedures:

- (a) **Telephonic.** A person identifying himself or herself as a Customer or an Authorized Representative makes a Request by calling Santander at the telephone number designated from time to time. Santander may verify the authenticity of the Request by performing a telephone callback based upon instructions provided by Customer on the Authorization form.
- (b) **Branch.** A person identifying himself or herself as a Customer or Authorized Representative must provide sufficient form of identification, consistent with Santander's customer identification program and other policies and procedures. In addition to requiring one or more forms of identification, Santander may, from time to time, offer or require additional security procedures, including but not limited to the use of personal reference questions and answers or one-time passcodes.
- (c) **Online and Mobile Banking.** A Customer or Authorized Representative that makes any Request through any of Santander's online banking service platforms or mobile banking service platforms acknowledges and agrees to use the Security Procedures described in the agreements with Santander governing such online and mobile banking services, including, as applicable and without limitation, its Digital Banking Agreement for Business Online and Mobile Banking and/or its Cash Management Master Agreement and all applicable schedules and addenda thereto.
- (d) **Other.** Santander may, in its discretion, adopt use of written instructions for Requests or an electronic service with verification of the Request as an authentic Request of Customer by performing the telephone callback selected by Customer on the Authorization or by using the procedures and protocols specified in the instructions or manual for the electronic service as in effect from time to time.

Santander will not execute a Request if it is unable to verify such Request, Santander shall have no liability to Customer whatsoever, for such declined Request.

4.2 PIN. Depending upon the means by which a Customer submits Requests, Santander may assign to Customer, or permit Customer to create, one or more confidential numbers, or PINs, for the purpose of Customer identification. In that event, no Request will be acted upon by Santander that does not refer to the PIN assigned to Customer. Customer agrees that authority to request a funds transfer and to issue other instructions and directions related to a funds transfer shall be conclusively presumed if the person making the request or issuing the instructions or directions uses the PIN assigned by Santander to Customer. Customer is responsible for maintaining the confidentiality of the PIN and shall report promptly any breach of confidentiality to Santander's Wire Transfer Department by calling the telephone number listed within the PIN mailer sent to approved Telephone Wire Agreement customers; it is the same telephone number used to initiate wire transfers.

4.3 Commercially Reasonable Procedures. Customer acknowledges and agrees that the Security Procedures described in this Agreement are commercially reasonable and satisfactory methods of providing security against unauthorized Requests. Customer further acknowledges and agrees that Santander may use the Security Procedures to verify the authenticity of any Request of Customer and that any Request acted upon by Santander in compliance with the Security Procedures shall conclusively be deemed an effective and authorized Request of Customer. Customer agrees to be bound by any Request, whether or not authorized, that is made in Customer's name and received by Santander in compliance with the Security Procedures. Customer understands that Santander, from time to time at its discretion and upon written notice, may change the Security Procedures and agrees that Customer's continued use of any funds transfer service hereunder after the effective date of any change in the Security Procedures shall evidence Customer's acknowledgment thereof and its agreement with such changed Security Procedures, and of the commercial reasonableness thereof.

Santander may, from time to time, propose additional or enhanced Security Procedures to Customer. Customer understands and agrees that if it declines to use any such additional or enhanced procedures, it will be liable for any losses that would have been prevented by such procedures. Notwithstanding anything else contained in this Agreement, if Santander believes immediate action is required for the security of Santander or Customer funds, Santander may initiate additional Security Procedures immediately and provide prompt subsequent notice thereof to Customer.

5. FEES AND COSTS.

5.1. Fees and Charges. Santander may charge to Customer's Accounts such reasonable wire transfer fees and other fees as Santander may impose from time to time in

accordance with its customary pricing policies. Santander shall make available to Customer, at their request, a schedule of fees and charges for funds transfer services. Santander may debit any Authorized Account (or, if there are insufficient Available Funds therein, any Account) of Customer in the amount of the fees and charges due to Santander unless Customer arranges another payment procedure acceptable to Santander.

5.2. Costs. Customer shall reimburse Santander for any costs and expenses incurred by Santander in executing any Request pursuant to this Agreement, including but not limited to costs and expenses incurred to make, revoke, amend, research, trace, or cancel any transfer of funds requested by Customer. **Customer acknowledges that funds transfers may be sent through intermediary or correspondent banks and that those banks may also charge a fee for processing the funds transfer. Customer further acknowledges that the selection of intermediary or correspondent banks, and thus fees that may be charged, may not be within Santander's control. Customer hereby authorizes any intermediary or correspondent bank that handles any funds transfer originated by Customer to deduct its fees or charges, if any, from the amount of the funds transfer.**

6. CUSTOMER INDEMNITY.

For additional terms governing Outgoing Consumer International Wires, please see Section 12 below.

Except as may be limited by Applicable Law, in consideration of Santander agreeing to accept Requests in the manner set forth herein, Customer shall indemnify and hold harmless Santander, its affiliates, directors, officers, employees, and agents from any claims, demands, judgments, loss, liability, or expenses (including without limitation reasonable attorney's fees and expenses) arising out of or in connection in any way with Santander's performance of wire transfer services, including but not limited to Santander's blocking or rejecting a funds transfer request, unless, and subject to the provisions of Section 7 hereof, (a) Customer is in compliance with this Agreement and (b) the loss or liability arises solely out of Santander's gross negligence or willful misconduct, failure to act in good faith, or failure to act substantially in accordance with Customer's instructions given pursuant to this Agreement, as determined by a final, non-appealable judgment of a court of competent jurisdiction. This indemnification shall survive the termination of this Agreement.

7. LIMITATION OF LIABILITY.

For additional terms governing Outgoing Consumer International Wires, please see Section 12 below.

7.1. No Responsibility for Detection of Errors. Santander shall not be responsible for detecting any Customer error contained in any Request by Customer. Customer is responsible for providing Santander with complete and accurate information in each Request.

Customer is responsible for reviewing each account statement or other notice promptly upon receipt for any inaccuracies or unauthorized activity regarding wire transfers or Customer's Authorized Account. Customer must notify Santander immediately in writing of any inaccuracies or unauthorized activity and, subject to Applicable Law, in any event not exceeding thirty (30) calendar days following (a) the debiting of the Request to an Authorized Account or (b) the date of the execution of the Request, whichever is earlier, unless otherwise required by Applicable Law.

7.2. Liability. Customer expressly agrees that Santander is only responsible for making a commercially reasonable, good faith effort to execute accepted Requests and will only be responsible for performing the services specified in this Agreement with ordinary care. Subject to Applicable Law, Santander may be liable to Customer only for its gross negligence or willful misconduct in performing the services specified in this Agreement, as determined by a final, non-appealable judgment of a court of competent jurisdiction, and shall not be liable for any error, failure, or delay on the part of any third party, including but not limited to intermediary, correspondent, or beneficiary banks, in processing a wire transfer.

7.3. Compensable Damages. If Santander accepts a Request, but fails or delays in making a funds transfer pursuant to Customer's instructions, or if Santander makes a funds transfer in an erroneous amount that is less than the amount Customer instructed, unless otherwise required by law or as otherwise provided in this Agreement, Santander's liability shall be limited to interest on the amount that Santander failed to transfer timely, calculated from the date on which the funds transfer was to be made until the date it was actually made or Customer canceled the instructions; provided that in no case shall Santander be liable for more than sixty (60) days of interest unless required by law. Santander may pay such interest either to Customer or the intended beneficiary of the transfer, but in no event will Santander be liable to both parties, and Santander's payment to either party will fully discharge any obligation to the other.

If Santander makes a funds transfer in an erroneous amount that exceeds the amount stated in Customer's Request, or if Santander executes a Request that is unauthorized and not otherwise deemed authorized under Section 4, Santander's liability will, unless otherwise required by law or as otherwise provided in this Agreement, be limited to a refund of the amount erroneously transferred, plus interest thereon from the date of the transfer to the date of the refund, but in no event to exceed sixty (60) days' interest.

SANTANDER SHALL NOT BE LIABLE UNDER ANY CIRCUMSTANCE FOR INDIRECT, CONSEQUENTIAL, EXEMPLARY OR SPECIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES FROM LOSS OF PROFIT, LOSS

OF GOODWILL OR CUSTOMER RELATIONS, WHETHER OR NOT SUCH DAMAGES RELATE TO SERVICES COVERED BY U.C.C. ARTICLE 4A, EVEN IF SANTANDER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

EXCEPT AS OTHERWISE PROVIDED IN THIS AGREEMENT, CUSTOMER EXPRESSLY AGREES THAT USE OF THE FUNDS TRANSFER SERVICES IS AT CUSTOMER'S SOLE RISK, THE FUNDS TRANSFER SERVICES ARE PROVIDED "AS IS," AND SANTANDER AND ITS AGENTS DO NOT MAKE AND EXPRESSLY DISCLAIM ANY WARRANTIES, EITHER EXPRESSED OR IMPLIED, WITH RESPECT TO THE FUNDS TRANSFER SERVICES, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, OR NON-INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS, OR THAT THE FUNDS TRANSFER SERVICES WILL BE UNINTERRUPTED OR ERROR FREE, WITHOUT BREACHES OF SECURITY OR WITHOUT DELAYS. IN THOSE STATES THAT DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY, THE LIABILITY OF SANTANDER AND ITS SERVICE PROVIDERS AND AGENTS IS LIMITED TO THE FULLEST POSSIBLE EXTENT PERMITTED BY LAW.

Compensation in the form of interest, or for loss of interest or use of funds, shall be limited to an amount equal to interest at the average federal funds rate paid by Santander for each of the days for which interest is payable. Customer agrees that Santander may, in its sole option, pay interest compensation as follows: (a) by lump sum payment of cash; or (b) by providing a credit to an Authorized Account. Santander shall not be liable for the insolvency, neglect, misconduct, mistake, delay, default, or other acts or omissions on the part of any bank or person, including, without limitation, any third party used by Santander in executing a funds transfer or performing a related act, and no such bank, person, or third party shall be deemed to be Santander's agent.

7.4. Required Notice. Notwithstanding the provisions of Section 7.2 hereof, Santander shall not be liable for any interest on the amount of a Request that was unauthorized, delayed, or erroneously executed unless Customer notifies Santander in writing that such Request was unauthorized, delayed, or erroneously executed within thirty (30) calendar days following (a) the debiting of the Request to an Authorized Account or (b) the date of the execution of the Request, whichever is earlier, unless otherwise required by Applicable Law. Customer acknowledges and agrees that this period of thirty (30) calendar days is a reasonable amount of time for Customer to notify Santander.

7.5. Force Majeure. Santander shall not be liable for its inability to perform or its delay in performing its obligations under this Agreement when such inability or delay arises out of causes beyond Santander's control, including, without limitation, any act of God, fire, earthquake,

pandemic, civil unrest, emergency conditions, war, terrorism, accident, power failure, equipment failure, system failure, labor dispute, interruption of transmission or communication facilities, legal constraint, or the failure of any third party to provide any electronic or telecommunication service used in connection with the execution or cancellation of Requests or Authorizations.

In addition, Santander shall be excused from delaying or failing to execute any wire transfer that would result in Santander's:

- (i) exceeding any limitation on its intra-day net funds position established through Federal Reserve guidelines;
- (ii) violating, in Santander's reasonable judgement, any current or future risk control program of the Federal Reserve, any Applicable Law, or a rule or regulation of other governmental regulatory authority;
- (iii) reasonably suspecting that a transaction involves fraudulent activity, or
- (iv) processing a transfer, in Santander's sole discretion, would cause or reasonably could be expected to cause Santander to engage in an unsafe or unsound practice.

8. RECORDING OF COMMUNICATIONS.

Customer authorizes Santander to record without further notice, and by any reasonable means, any and all telephone conversations or data transmissions between Customer and Santander or their respective employees and agents made in connection with this Agreement and to retain those recordings indefinitely. Customer acknowledges that its consent pursuant to this Section is deemed granted irrespective of the state or other jurisdiction in which the Customer resides, or is present within, during any telephonic communication, and waives any objection to same.

9. NO EXTENSION OF CREDIT.

Neither this Agreement nor any course of dealing between Customer and Santander constitutes a commitment or obligation of Santander to lend money to Customer or obligates Santander to extend any credit to Customer, to make a loan to Customer, or otherwise to advance funds to Customer to pay for any Request contrary to Regulation CC or Santander's published funds availability schedules and policies.

10. WAIVER OF JURY TRIAL.

SANTANDER AND CUSTOMER EACH WAIVE ANY CLAIM OR RIGHT TO A TRIAL BY JURY WITH RESPECT TO ANY DISPUTE OR CLAIM ARISING IN CONNECTION WITH THIS AGREEMENT, WHETHER RELATING TO INTERPRETATION, BREACH, OR ENFORCEMENT OF ANY PROVISION OF THIS AGREEMENT OR OTHERWISE AND WHETHER ARISING IN TORT OR CONTRACT.

11. GENERAL TERMS.

11.1. Taxes. Customer shall be solely responsible for determining its obligation, if any, and payment, for all tariffs, duties, or taxes (excluding U.S. federal, state, and local taxation of the income of Santander) imposed by any government or governmental agency in connection with any Request executed pursuant to this Agreement.

11.2. No Assignment by Customer. Customer may not assign or delegate any of its rights or obligations under this Agreement, voluntarily or involuntarily, by operation of law or otherwise, without the prior written consent of Santander, and any attempted assignment without such consent shall be ineffectual and rendered null and void.

11.3. Amendments. Santander may amend this Agreement, including but not limited to the Security Procedures in Section 4, upon 30 days' written notice to Customer. Customer agrees that its continued use of Santander's funds transfer services after the effective date of the amendment constitutes acceptance thereof.

11.4. Termination or Cancellation. Either party may terminate this Agreement at any time by written notice to the other party. Termination of this Agreement shall not affect the rights and obligations of the parties that have accrued prior to termination. In addition, Santander also reserves the right to cancel any services provided under this Agreement at any time by written notice to Customer. Any representations, warranties, and obligations of Customer hereunder or in any document incorporated herein by reference shall survive any termination, whether with or without cause, of this Agreement.

Santander may terminate this agreement without written notice to Customer if Customer has not been active for a period of time greater than one year.

11.5. Notices. Customer agrees that Santander is under no obligation to provide notice about the execution of a Request. Funds transfers will appear on Customer's account statements. In some cases, Santander may offer notice of a funds transfer by email, or other electronic transmission or information reporting service. Except as otherwise provided in this Agreement, all notices required or permitted to be given under this Agreement may be given by any commercially reasonable means, addressed to the most recent address provided by Customer in Santander's files or by electronic means of communication whenever possible. All notices shall be effective when received, except as may be otherwise provided in this Agreement or by Applicable Law. Either party may each change the address for service of written notice upon it by notifying the other party in writing.

For additional terms governing Outgoing Consumer International Wires, please see Section 12 below.

11.6. Authorization. Customer represents and warrants to Santander that the performance of Customer's obligations under this Agreement has been duly authorized by Customer. Customer agrees to provide to Santander corporate resolutions, as applicable, or such other documents evidencing such authorization as Santander may reasonably require.

11.7. Entire Agreement; Headings. This Agreement constitutes the entire understanding between the parties relating to the subject matter hereof and supersedes all prior proposals, agreements, representations, and understandings, whether written or oral, with respect to said subject matter. Headings contained in this Agreement are for reference purposes only and are not intended by the parties hereto to have any substantive effect.

11.8. Severability. If any provision of this Agreement shall be held or made illegal, invalid, or unenforceable by a court decision, statute, rule, or otherwise, the remaining provisions of this Agreement shall not be affected by such illegality, invalidity, or unenforceability and shall continue in full force and effect.

11.9. Successors. This Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors and permitted assigns.

11.10. Survival. The provisions of Sections 4, 5, 6, 7, 8, 10, and 11 of this Agreement, and all other provisions of this Agreement which, by their very nature, are intended to survive termination of this Agreement, shall be deemed to survive termination of this Agreement, for any reason.

11.11. Santander's Policies. This Agreement, and each Request made pursuant to this Agreement, shall be subject to such policies as Santander may establish and disseminate from time to time governing its funds transfer services, including, but not limited to, time limits by which funds transfer requests must be received and specific telephone numbers for various types of funds transfer requests.

11.12. Governing Law. This Agreement is subject to the provisions of all applicable regulations and operating rules of the Office of the Comptroller of the Currency and the Consumer Financial Protection Bureau, or any successor federal bank regulator, all applicable regulations of the Board of Governors of the Federal Reserve System, all applicable operating circulars of the Federal Reserve Banks, and any other applicable provisions of federal law and regulation. Subject to the foregoing, this Agreement shall be governed by the laws of the State of Delaware (excepting the conflict of laws provisions thereof).

11.13. Conflict with U.C.C. In the event of inconsistency between the provisions of this Agreement and the provisions of the U.C.C. with respect to the subject matter of this Agreement, the provisions of this Agreement shall control, except to the extent that U.C.C. Article 4A prohibits variation of its terms by agreement.

12. ADDITIONAL TERMS GOVERNING OUTGOING CONSUMER INTERNATIONAL WIRES

12.1 General. This section contains additional terms applicable to only Outgoing Consumer International Wires or "Remittance Transfers" as defined in 12 C.F.R. 1005.30(e). This section does not apply to any Request sent to an account in the United States, to any Request initiated by a non-consumer, or to any Request initiated by a consumer for any non-personal, non-family, or non-household purpose. **In the event of a conflict between provision in this Section and a provision in the rest of this Agreement or in the agreement governing your funding account, the provision in this Section 12 will control with respect to Outgoing Consumer International Wires.**

12.2 Disclosures. Prior to sending an Outgoing Consumer International Wire, Santander will provide you with certain important disclosures regarding your transaction including, to the extent applicable: the amount that will be transferred to the account, a description of any fees and taxes imposed by Santander, the total amount of the transaction, the exchange rate to be used, the amount to be transferred in the foreign currency, a description of any fees and taxes to be applied by any other person to the extent known by Santander, and the amount that will be received by the recipient.

12.3 Liability. Except as otherwise agreed in writing, Santander is liable only for damages required to be paid as provided under Regulation E, subpart B or, to the extent applicable, UCC 4A (except as expressly modified by this Agreement). Except as required by Regulation E, subpart B, Santander will not be responsible for the acts or omissions of any other person or entity, including but not limited to any processor, any country's central bank, or any other financial institution, and no such person or entity will be deemed Santander's agent. In no event shall Santander have any liability for any indirect, incidental, consequential, punitive, or special damages, even if advised of the possibility of such damages.

12.4 Cancellation. As provided in 12 C.F.R. § 1005.34(a), a Customer sending an Outgoing Consumer International Wire may cancel for a full refund within thirty (30) minutes of payment, unless the funds have been picked up by the designated recipient or deposited into an account of the designated recipient, by calling 855-806-6517, or by visiting any Santander retail branch. Any recurring Outgoing Consumer International Wires shall be made in the form provided to Customer by Santander and shall remain in effect until Customer cancels it. Santander agrees to cancel any preauthorized or recurring Outgoing Consumer International Wire(s), provided that the Customer's request to cancel the wire(s) is received orally or in writing by Santander at least three business days before the scheduled date of the transfer, and provided that the cancellation request enables the provider to identify the sender's name and address or telephone number

and the particular transfer to be cancelled. Santander will not be liable for failing to cancel preauthorized or recurring wires if the cancellation request is received less than three (3) business days before the date of the transfer or lacks the sender's name and contact information or sufficient information to identify the transfer to be cancelled.

12.5 Error Resolution. In the event that you believe an error has occurred with respect to an Outgoing Consumer International Wire, you must notify Santander no later than 180 days after the "Availability Date" (the date when funds will be available to the Recipient) disclosed to you. You may notify us by contacting the Customer Contact Center at 877-768-2265 or by visiting any Santander retail branch. If you fail to notify us within this time period, Santander will not be liable for any error or loss of interest or any interest equivalent relating to the erroneous transaction. When you contact us, please tell us: (a) your name, address, and telephone number where we can reach you during business hours; (b) the recipient's name and, if known, his or her telephone number and address; (c) identifying information for the Outgoing Consumer International Wire to which the error detected relates (including, if possible, the date, dollar amount and transaction confirmation number) ; and (d) the error or problem with the wire transfer, and why you believe it is an error or problem.

12.6 Remittance Transfer Provider. If Customer is at any time classified as a Remittance Transfer Provider as that term is defined under Regulation E, Customer represents, warrants and agrees that:

- (a) Customer shall be responsible for performing and complying with the requirements of 12 CFR Part 1005, including, but not limited to, providing disclosures to the consumer (sender), the error resolution procedures, the provision of any remedies to the consumer, and the cancellation and refund of remittance transfers;
- (b) Santander is acting as an agent and not as a Remittance Transfer Provider when performing activities on behalf of Customer; and
- (c) Even if Santander is deemed a Remittance Transfer Provider under applicable law, Customer shall take all actions necessary to comply with the obligations of a Remittance Transfer Provider.
- (d) Customer agrees to indemnify and hold Santander harmless from and against any and all loss, liability, damage, costs, and expenses (including attorneys' fees) that Santander may sustain in reliance on Customer's representations and warranties as a Remittance Transfer Provider.
